A direct indictment against nuclear war and the mistreatment of Hiroshima's stigmatized survivors, this independently produced and distributed film was funded by the Japan Teachers Union in an effort to "preserve peace" and utilized tens of thousands of Hiroshima citizens as extras, including many survivors. ナミヤ雑貨店の奇蹟

Director: Ryoichi Hiroki North American Premiere

This deeply moving fantasy-drama, based on Keigo Higashino's best-selling novel, was nominated for 6 Japanese Academy Awards including Best Film and Director. The titular shop was run for years by the kindly Mr. Namiya, an elderly man who

imparted homespun wisdom to customers in need of advice. In 2012, as three youths hide out in the now derelict store following a burglary, a letter is slipped through the door – allegedly written by a girl three decades earlier. The young men respond and in doing so create a portal through time.

Eighth Kyudo Introductory Course to Begin in September 2018

Kyudo is the Japanese martial art of archery, historically associated with the Samurai. Modern Kyudo is often described as “standing meditation” and focuses on attaining proper technique and attitude rather than hitting the target. This teaches the practitioner to react calmly and resolutely to his environment.

Seikyū Kai is pleased to announce a 15-week Introductory Course to be offered at the JCCC starting in September. Students without prior experience must complete the Introductory Course to be accepted in the regular kyudo program. Students with prior experience should inquire with JCCC.

The Introductory Course is divided into 5 stages:

1. Hassetsu (The Eight Stages of Shooting and Posture)
2. Gomu-yumi (Practice Bow)
3. Subiki (Drawing the bow without an arrow)
4. Makiwara (Shooting towards a short-distance target)
5. Taihai (formalized movements)

By the time the course finishes, students will have acquired the basic skill and knowledge required to join the regular class and continue on to the next level.

Date: **Saturday September 8 to Saturday December 15, 2018**

Time: 2:45pm – 4:45pm

Fees: \$220 + HST

(Please note that JCCC Membership is also required)

Location: Tatami Dojo at the JCCC.

Equipment: Please wear loose, comfortable clothes and socks. All other equipment will be provided.

Classes are restricted to those 16 years & over.

There is a strong possibility that at least one of the classes may have to be rescheduled due to other activities that are presently being planned. Consequently, **Saturday December 22 and 29, 2018** have been reserved for potential makeup classes. It is not mandatory to attend all 15 classes. If you cannot attend one or two classes there are enough instructors and assistants available so that those who miss a class can receive missed instruction the following week. However, we encourage everyone to attend as many classes as possible because material in each class will build on the last.

Registration Procedure

1. As a prerequisite to registration, all potential candidates must visit and watch a regular kyudo class for at least a half hour between 11:30am-12:30pm on any **Saturday from May 19 to July 28, 2018**.
2. At the class, please introduce yourself to one of the instructors and your name will be recorded on a list indicating that you have visited a class, thereby meeting the registration pre-requisite. Please note that being on this list does not necessarily guarantee you a spot in the beginners' course. The intent of the visit is to ensure that you have some understanding of a typical kyudo class before deciding to join the course. So please feel free to ask questions while you are there.
3. Formal registration starts **Tuesday August 7, 2018** and you must register directly with the JCCC by phone or in person. The class size is limited to 20 people and spaces will be filled on a first come, first served basis starting **August 7, 2018**. You must pay at the time of your registration and your name must be on the aforementioned list in order to officially join the course.

They say that April showers bring May flowers, and in our community it usually also means that preparations are starting for summer festivals and Obon. A staff member recently came across this photo and it reminded her of

JC Community Picnic – July 1st Save the Date!

Submitted by the JC Community Picnic Committee

We were very sad to have to cancel the 2017 picnic at the last minute due to flooding and less-than-ideal weather conditions, but we are still planning on hosting the annual JC Community Picnic this year. Please mark your calendars and tell your friends/family that we will be back at Caledon Place on **Sunday July 1, 2018**.

The picnic has been held almost annually since 1977, making it a long-running family tradition for many Japanese Canadian families in Southern Ontario. We are hoping it might become a new tradition for some families as well!

We still have a lot to do to plan for the 41st JCCP, so stay tuned for updates and we hope to see all of you there on July 1!

“Setsuko Thurlow: Survivor, Activist, Trailblazer” – March 15, 2018

Submitted by anonymous

On December 10, 2017, Setsuko Thurlow (born Setsuko Nakamura) and Beatrice Fihn accepted the 2017 Nobel Peace Prize on behalf of the International Campaign to Abolish Nuclear Weapons (ICAN). Speaking at a sold-out event organized by the Factor-Inwentash Faculty of Social Work Alumni Association of the University of Toronto in its 2018 Distinguished Speakers Series to a standing ovation, Setsuko who is Hiroshima Peace Ambassador for The City of Hiroshima stated that she had accepted the Nobel Peace Prize of behalf of all those who support ICAN's aims.

Setsuko's life has been dedicated to nuclear disarmament. A survivor of the atomic bombing of Hiroshima on August 6, 1945 when she was a grade 8 student, Setsuko continues to be haunted by the memory of her four-year old nephew, his charred body and his cries for water until death mercifully released him from his agony. Seventy-two years later, lingering effects of radiation from the atomic bombs dropped on Hiroshima and Nagasaki, Japan continue to kill off survivors. Setsuko regrets the statistical accounting of casualties which deprived victims of their human dignity by reducing them to mere numbers - each survivor deprived of the normal grieving and healing process which is integral to dealing with catastrophe.

Setsuko emigrated to Canada in 1955 after having left her hometown of Hiroshima to study in the United States. After completing her Master's degree in Social Work at the University of Toronto, Setsuko worked at the Toronto Board of Education, but took early retirement to establish the Japanese Family Services of Metro Toronto after she discovered the difficulties encountered by Japanese speakers in obtaining professional and social services due to the small size of the community and ongoing racism following the post World War II-dispersal period notwithstanding that the Japanese Canadians and Japanese expatriates were Canadian taxpayers. Founding the Japanese Family Services, states Setsuko proudly, is her greatest accomplishment in Toronto.

Despite approval by more than 120 United Nations member nations of the 1st ever Prohibition of Nuclear Arms Treaty in 2017, the Government of Canada is not considering signing the treaty. Setsuko urges Canadians to raise their concerns with the Prime Minister. Her repeated insistence that she doesn't have much time left, herself at age 86 was commingled throughout her moving presentation with the constant threat of pending nuclear disaster.

トロントの太鼓グループ「永田社中」による2018年夏の大企画は三味線とのコラボコンサート。日本から津軽三味線の大スター新田昌弘をお迎えいたします。1998年津軽三味線中高生の部で優勝、以後3年にわたって全国大会で連覇という輝かしい経歴を持つ彼は、現在、世界に通用する津軽三味線プレーヤーとして日本国外でも広く活躍しています。生まれ持った音楽的感性と巧みな演奏技法で、伝統ある三味線を異国の文化とうまく融合させることができる稀な人物です。今回初となるカナダ公演では、永田社中の太鼓にのってどのような三味線サウンドを聴かせてくれるのでしょうか。お見逃しなく。
